A Structured Luxury Mobility Investment
with Predictable Returns

NAIRAXI Transport and Logistics Limited is a tech-enabled luxury mobility company providing premium car rentals with professional chauffeur services across Lagos, Abuja, Port Harcourt, Kano, and other major Nigerian cities.

Our clientele includes corporate executives, diplomats, expatriates, high-net-worth individuals, event organizers, and international travellers seeking comfort, safety, and discretion.

To expand our premium fleet, NAIRAXI offers two structured vehicle investment models that allow investors to earn strong annual returns while leveraging NAIRAXI's brand, demand pipeline, and fleet management expertise.

This document is intended to be used as a resource for potential investors to make a decision about investing their vehicles with NAIRAXI

MODEL A: **High-Yield Transfer Model (125% ROI)**

Key Features:

Our vision is to be the most trusted and preferred car rentals company in Nigeria, known for our quality services, excellent customer service, and unwavering commitment to safety and reliability.

Core Values

Quality: We provide only the highest quality service, ensuring maximum efficiency and reliability.

Safety: Safety is our top priority. We maintain our equipment to the highest standards and provide comprehensive training and support.

Customer Focus: We are dedicated to meeting the unique needs of our clients with tailored solutions and exceptional service.

Integrity: We operate with honesty and transparency in all our dealings.

Innovation: We continuously seek to improve our services and adopt the latest technologies to better serve our clients.

HSE POLICY

Nairaxi Transport & Logistics Limited is committed to maintaining the highest standards of health, safety, and environmental performance in all our operations.

Our HSE policy is designed to protect our employees, clients, contractors, the public, and the environment. We believe that a safe and healthy workplace is a fundamental right of every employee and a critical component of our business success.

Key Principles of Our HSE Policy

Compliance: We adhere to all relevant local, national, and international health, safety, and environmental laws and regulations. We continuously monitor and update our policies to ensure compliance with the latest standards and practices.

Prevention: We aim to prevent accidents, injuries, and occupational illnesses through proactive risk management and hazard identification. We implement comprehensive safety programs and conduct regular safety audits and inspections.

Training and Awareness: We provide ongoing training and education to our employees, ensuring they are equipped with the knowledge and skills to perform their duties safely.

We foster a culture of safety awareness and encourage employees to take personal responsibility for their own safety and the safety of their colleagues.

Emergency Preparedness: We have robust emergency response plans in place to handle any incidents or emergencies that may arise. We conduct regular drills and simulations to ensure our employees are prepared to respond effectively to emergencies.

Environmental Stewardship: We are committed to minimizing our environmental impact through sustainable practices and the efficient use of resources.

We actively seek to reduce waste, emissions, and energy consumption in our operations.

Continuous Improvement: We strive for continuous improvement in our HSE performance through regular review and enhancement of our policies and procedures. We encourage feedback and suggestions from employees, clients, and stakeholders to improve our HSE practices.
